ARMED AND READY FOR VENGEANCE, MOB AT-TER BLACKS

Steubenville, Ohio, March 26.—A mob of two thousand miners, many of whom are reported to be armed, and all muttering threats of vengeance, are today awaiting the arrival at Adena, of four negroes who are suspected of being connected with the brutal murder there of Frances South, eleven years of age, whose mutilated body was found, partly covered with leaves late yesterday.

The negroes were arrested at Sherrodsville, after an armed posse had tramped the country all night bent on the lynching of the girl's assailants.

TWENTY-SIX PASS SEVENTH GRADE EXAMINATIONS.

On March 17th and 18th, we had our uniform seventh grade examinations. The purpose of these examinations is to stimulate interest in completing the elementary grade work and encourage the boys and girls to take advantage of high school training. We have held these examinations for the past two years and the interest grows. The pupils who pass this examination are admitted to the first year of the high school without examination. I am giving below the names of the pupils who were successful:

PINE LEVEL SCHOOL—Cleo Griffin, Elba, Rt. 2; Ruby Bryan, Elba, Rt. 2; Jeff Bryan, Elba, Rt. 5.

COUNTY LINE—Corinne Speigman, Enterprise, Rt. 1; Lehman Griffin, Enterprise, Rt. 1; Vyrdie Martin, Enterprise, Rt. 1.

ROETON—Joel Bishop, Tennille, Rt. 2; Willie Mae Brown, Tennille, Rt. 2.

KEYTON—Arnold Ellis, Enterprise, Rt. 1; Ruth Martin, Enterprise, Rt. 1; Xena Ellis, Enterprise, Rt. 1; Mary Love Martin, Enterprise, Rt. 3.

TABERNACLE—Ruth Mixson, Arlton; Mattie Gunter, New Brockton.

CURTIS—Mary Warwick, Elba, Rt. 4; Josie Belle Page, Elba; Bob Gimes, Elba; Kayron Campbell, Elba; Phelicia Foley, Elba.

CLINTONVILLE—Mack Sawyer, New Brockton, Rt. 3; CHESTNUT GROVE—Adolphus Helms, Tennille, Rt. 2; Oberia Clowers, Tennille, Rt. 3; Bertha Johnson, Tennille, Rt. 3; Carlos Helms, Tennille, Rt. 2.

BLUFF SPRINGS—Gladys Bryan, Glenwood, Rt. 2; Fannie Dyess, Elba, Rt. 1.

Forty pupils stood the examination. Twenty-six passed while fourteen showed that they were not quite ready to pass. Some of these can pass by working this summer as many of them were deficient in only one or two studies. Many more schools will have this examination in the summer. The showing this time has been very satisfactory, showing that the teachers have done good work and that the pupils are interested in getting ready for high school.

FORMER SERVICE MEN ELIGIBLE FOR FREE SCHOLARSHIP.

In order that the ex-service men of this county may lose no time in obtaining benefits offered them by the Y. M. C. A., thru its free scholarship plan, the following men have agreed to serve on the local Educational Service Committee, whose duty it will be to receive and pass upon applications from men of Coffee County: Grover C. Bowden, Elba, W. M. Brunson, Elba; Rev. B. D. Dunn, Enterprise, Rev. J. E. McClain, Enterprise.

The plan provides for any kind of educational courses offered in schools of recognized standing, including business and commercial, engineering, mechanical, professional, or academic courses in technical schools and colleges, and where no available school conducts the desired courses of study, standard Home Study Correspondence Courses are offered. This wide range of courses makes it possible for men with little or no elementary Education to participate in the benefits of the plan on an equal basis with those more fortunate in the matter of education.

Any man with a honorable discharge from some branch of the service, or any son of a man who died in the service, is eligible for one of these scholarships. The amount of money available for men of this County is substantial, but not unlimited, and men who desire to share in the fund should make application at once to Mr. Grover C. Bowden, Chairman, Elba, Alabama, for Coffee County.

Those unable to get in touch with the local Committee and desiring further information will please write J. W. Holmes, State Educational Supervisor, Y. M. C. A., 1412, Jefferson County Bldg., Birmingham, Alabama.

Mr. G. M. Heath, of Enterprise, was here Friday and Saturday.

KIDNAPPED BOY IS RESCUED AT LEXINGTON, KY.

Lexington, Ky., March 26.—Paul Little, twelve years of age, who was kidnapped two days ago, escaped from his captors this morning at seven o'clock, when he escaped from a bathroom, adjoining a bedroom in the Phoenix hotel here, where he has been held a prisoner since his abduction.

The kidnapers neglected to lock the bath room door when they left their room at the hotel this morning, and the boy crept out into the outer room and used the telephone. In a few minutes the boy's father, with a squad of policemen, broke down the door and the boy leaped into his father's arms.

WASHINGTON, MARCH 26.—

Representatives Hubert D. Henry B. Steagall and Fred L. Blackmon are leaving in the next day or two for Alabama, and expect to hold a number of conferences with their friends in their respective districts.

It was not until today that Representative Dent was able to make definite plans as he wished to be sure and be in Washington when the House committee on Military affairs resumes consideration of plans for the government nitrate plant at Muscle Shoals. He was assured this would probably be deferred until the first or second week in April, which will permit a flying trip to Alabama.

No definite plans have yet been formulated by the other two Congressmen for their return to Washington. Both of them hurried back to the capital in order to make a vigorous fight against the army reorganization bill and especially to help kill the plan, then contemplated for incorporation of military training.

As part of this measure Representative Steagall made a vigorous speech against this amendment, declaring it an attempt to force militarism on the people, and the amendment was stricken out on a point of order.

JOS. BAKER, MAYOR OF DOTHAN, PASSES AWAY.

Dothan, Ala., March 26.—News received here early today of the death at Hot Springs, Ark., late Thursday night of Mayor Joseph Baker, has occasioned wide-spread sorrow and genuine regret among his hundreds of friends and acquaintances.

The mayor, accompanied by his wife, left Dothan about ten days ago for the Arkansas resort, hoping that the change of scene, relaxation from official and business duties and the medical baths would restore his health which had been failing for some months.

Having served the city as its mayor for three terms, Mr. Baker had been re-nominated for a fourth term just before he left for the west. He was fifty years of age, the eldest of the well known Baker family that has resided in Dothan and Houston county for a half century. The deceased had been successful financially and was widely known for his liberality.

Only a few days ago the installation of new chimes and echo organ at the Foster street Methodist church, the gift of Mr. Baker to the congregation in memory of his mother, had been completed. The musical instrument is one of the handsomest and costliest in the south, and now, they will in all probability be used for the first time Sunday for the service which will mark the earthly passing of the donor.

Surviving the deceased, in addition to his widow, are one son, three brothers, Dug, Dan and Caroy Baker, and four sisters, Mrs. Minnie Thompson, Mrs. Fred Lane, Mrs. F. M. Watts and Mrs. Miles Miller.

At the beginning of the war aeroplanes had a maximum speed of 85 to 90 miles an hour and were capable of climbing to a height of 10,000 feet. At the end the greatest speed was over 130 miles an hour, and greatest height reached being over 25,000 feet.

Five new sugar mills, with a total capacity of 5,000 tons of cane daily, are to be erected in Negroes, Philippine Islands. Ten mills with a capacity of 3,000 tons of cane daily are already in operation in Negroes.

In the southeastern corner of British Columbia there are more than 1,000,000 acres of proven coal lands, carrying thousands of millions of ton, in which the percentage of high-grade coal is remarkably high.

SPECIAL SERVICES AT M. E. CHURCH NEXT SUNDAY.

There will be special Easter services at the Methodist Church on next Sunday, 11:00 A. M. Rev. W. H. McNeal, Presiding Elder of the Troy district, will preach the sermon. Special songs and music will be arranged for the service. Everybody invited to the service.

QUARTERLY CONFERENCE AT LIBERTY.

The second quarterly conference for the Elba charge will be held on next Saturday and Sunday, April 3rd and 4th, at Liberty. Preaching by Brother W. H. McNeal on Saturday at 11:00 A. M., and the Conference will be held at 2:00 P. M. We hope to have a delegation from each Church.

J. T. Coulliette, Pastor. Circuit Court convenes at Elba on next Monday.

Dr. S. W. May, of Bentley, was at Elba yesterday.

Miss Alice Windham, who has been teaching in Headland for a few weeks, returned to her home at Elba Saturday.

Miss Pearl Jones has returned from Montevalle where she has been for several days attending a conference of the Home Demonstration Agents of the State.

Prof. B. L. Bolch, Miss Inez Sherrison, and Superintendent G. C. Bowden, are among those who leave tomorrow for Birmingham to attend the Alabama Educational Association.

The native employees at a Bombay mill struck recently because they did not receive a bonus on the reported birth of the owner's son.

Taking into account the power already used or proposed to be used, it is estimated that the total water-power in Japan will reach over 8,500,000 horse-power.

At the beginning of the war aeroplanes had a maximum speed of 85 to 90 miles an hour and were capable of climbing to a height of 10,000 feet. At the end the greatest speed was over 130 miles an hour, and greatest height reached being over 25,000 feet.

A preliminary estimate of the amount of lumber cut in British Columbia last year places the figure at 1,700,000,000 feet.

Misses Clotene Donaldson and Sossie Page returned to their homes at Opp Sunday after a visit to Mrs. Fred Folsom.

ILLINOIS DOCTOR PRESCRIBES IT.

Says He Has Never Known Medicine To Produce Results

Dr. B. H. Elder, M. D., with offices at 410 Shradski Bldg., Peoria, Ill., who has been in active practice for over fifty years, says:

"Medical science has never before produced a medicine that brings results like Tanlac. I have been prescribing it some time with remarkable results. Personally I had suffered for years from stomach trouble and rheumatism and had devoted my best though trying to find relief but to no avail. After eating, gas would form in my stomach and affect my heart, causing poor circulation, cold hands and feet, dizziness, peculiar feelings, terrible headaches and cramps. The rheumatism pained me so I could hardly stand to move my legs or arms.

"I had a patient who had also suffered for years with the same trouble as mine, and although I did all I could for him he got no better. One day, after he had been away for about six months, he came to my office and never in my life have I seen a man look better or seem to feel better than he did. He told me Tanlac was what had brought about the wonderful change. I began buying the medicine at once with the result that a few bottles relieved me entirely of stomach trouble, rheumatism and all my other ailments. Although I am an extra hearty eater nothing ever disagrees with me any more. I have prescribed Tanlac in cases of rheumatism, kidney and bladder disorders and a run down condition with wonderful results, and I feel that I ought to give my experience with Tanlac to the public for the benefit of suffering humanity."

Tanlac is sold in Elba by Elba Drug and in Enterprise by Laney-Warren Drug Co.

PROMINENT ALABAMIAN DIES.

Montgomery, Ala., March 26.—Dr. Thomas M. Owen, Director of the State Department of Archives and History of Alabama since its establishment, a historian with a national reputation and one of the outstanding figures in the educational and public life of Alabama, died suddenly from a stroke of heart disease a few minutes after 11 o'clock Thursday night at his home on Adams street.

Dr. Owen had been weakened by a severe illness last fall but had hoped that he was regaining his strength and until the moment of the stroke he was cheerful and engaged in conversation with Mrs. Owen over the events of the day.

He had just attended a meeting of "The Thirteen" Literary club, had come home, talked of the meeting to his wife and had started to retire in an adjoining room, when he was stricken, and died almost immediately.

The decision of the Cunard line to preserve the names of the Lusitania and other vessels sunk in the war serves to recall the superstition of old-time sailors that it was exceedingly unlucky to name a ship after one that had gone down.

BEST FOR ALL CROPS

SOUTH ATLANTIC GUANO COMPANY

ATLANTA — MONTGOMERY

It is not sufficient that your crop gets an early start to enable it to win the race against drouth, excessive rainfall, rust, shedding and boll weevil. It must have a steady, healthy growth which constant nourishment alone can give, if it is expected to come in ahead on the homestretch.

The South Atlantic Brands not only give all crops a quick start, but by reason of the scientific linking together of the best and most dependable fertilizing materials, they afford constant and steady feeding of the plant and enable it to resist such diseases and conditions as are usually fatal to a weakly, stunted plant. A healthy plant should be kept healthy and that is the office of the South Atlantic Brands.

Send your orders early to your dealer and be sure to name the SOUTH ATLANTIC BRANDS.
